**SUBJECT: MARTIN LUTHER KING, JR.
SECURITY MATTER - COMMUNIST**

By memorandum dated 12/15/66 you were advised of the microphone and wire tap coverage we had afforded Martin Luther King, Jr., President, Southern Christian Leadership Conference. The Director wrote "When?" concerning the three times Attorney General Nicholas deB. Katzenbach was advised of the microphone installations and that trespass was involved. Also the Director wrote "When?" concerning the microphone coverage of King furnished Attorney General Robert F. Kennedy, perusal of which would indicate that a microphone was the source of this information.

Attorney General Katzenbach was advised on the dates indicated by memorandum, that trespass was involved in the following microphone installations:

<u>Installed</u>	<u>Discontinued</u>	<u>Location</u>	<u>Attorney General Advised</u>
5/12/65	5/13/65	Sheraton Atlantic Hotel New York, New York	<u>5/17/65</u>
10/14/65	10/15/65	Astor Hotel New York, New York	<u>10/19/65</u>
11/29/65	11/30/65	Americana Hotel New York, New York	<u>12/1/65</u>

Attorney General Robert F. Kennedy was furnished an eight page "Top Secret" memorandum marked obscene, dated March 4, 1964. This memorandum is a summary of microphone coverage afforded King's degenerate sexual escapades in the Willard Hotel, Washington, D. C.; Hilton Hawaiian Village, Honolulu, Hawaii; Ambassador Hotel, Los Angeles, California, and the Hyatt House Motel, Los Angeles, California. The wording of the memorandum is couched in such a manner that it is obvious that a microphone was the source. Also furnished

Memorandum to Mr. W. C. Sullivan
RE: MARTIN LUTHER KING, JR.
100-106670

Attorney General Kennedy on 6/1/64 was a separate memorandum concerning King's degenerate sexual escapades with a white prostitute in Las Vegas, Nevada. This information, however, originated from a local police informant.

By memorandum dated 9/11/64 former Assistant Director Courtney A. Evans recorded the return of the memoranda concerning King's sexual escapades from Attorney General Kennedy wherein Evans recommended the destruction of this material. The Director noted "They are not to be destroyed but are to be filed with this memo. H." They have since been maintained under secure circumstances in accordance with the Director's wishes.
